\$500 SCHOLARSHIP AWAITS WINNERS OF BRIGHT HOUSE NETWORKS' 2007 HOLIDAY CARD CONTEST

INDIANAPOLIS (Monday, Oct. 1, 2007) – Elementary, middle school and high school student-artists can win a \$500 scholarship from Bright House Networks if their original, holiday-themed artwork is selected for the cover design of the company's 2007 Holiday Card.

Beginning today, Bright House Networks will accept entries for its 2007 Holiday Card Contest. This year's holiday cards will be sent by the digital cable, high-speed Internet and digital phone services provider to civic and community leaders in December.

Winners in each of three categories will be announced Nov. 13. Categories include elementary (kindergarten through grade 5), middle school (grades 6-8) and high school (grades 9-12).

The contest is open to all central Indiana students enrolled in Marion County and surrounding communities, including students at public and private schools. Last year, nearly 200 students entered the contest and winners were selected from Carmel Middle School in Carmel, Ind., Broad Ripple High School in Indianapolis and Frances Slocum Elementary in Marion, Ind.

"We're looking for creativeness, lots of color and lots of originality," said Buz Nesbit, president of Bright House Networks Indiana. "Each year, we receive many excellent and unique pieces of art from our talented central Indiana students and every year, it's tough to select a winner."

Complete rules, details and a Contest Entry Form are available online at www.indiana.mybriighthouse.com and at Bright House offices in Indianapolis, Carmel, Avon and Marion. **All entries must be postmarked by midnight, Nov. 2.**

Winning artwork will be posted to Bright House Networks' website in December and will be available to download as computer screensavers for students, parents, family members, teachers and school administrators.

###

In Indiana, Bright House Networks is one of central Indiana's leading providers of digital video, including Video On Demand, Subscription Video On Demand; digital phone; and high-speed data services.
